HEART *of a* LION
*John Daly - Major Ed Foundation*

2-time PGA Major Champion John Daly and Combat Wounded Veteran Major Ed Pulido, U.S. Army (Ret.) joined forces to make a major impact on the world of philanthropy. Both of these men know how important it is to have a great heart for America's children, first responders and our nation's Veterans. As major contributors to organizations they strongly believe in, they realized that if they combined their philanthropy efforts, they could increase support and awareness in meeting the mission requirements of these non-profits.
