

GOLF ASSOCIATION OF MICHIGAN MEDIA KIT

Thank you for your interest in the Golf Association of Michigan's Partnership Program. The GAM is a 501(c)(6) non-profit amateur golf association with a 501 (c)(3) tax deductible arm for our GAM Foundation, Inc. We represent the United States Golf Association (USGA) here in Michigan, administering the World Handicap System and running local qualifiers for national championships, including the U.S. Open, each year. Our membership is comprised of over 80,000 individual golfers and over 450 member clubs. Individual GAM members receive a range of benefits, including an official Handicap Index™ authorized by the USGA, the opportunity to compete in one of our 31 state championships and fun golf days, and savings opportunities from our partners.

I believe partners are initially attracted to the GAM for the natural connection to the game of golf – its reputation, tradition, reach, and values. Golf has experienced amazing growth in participation over the last few years as past players returned to the game and new players headed to the course for the first time. Now is a perfect time to reach this energized population of avid golfers, and the GAM communications team makes it easy to share your message through several effective channels.

- **GAM Web Site Advertising** – Sponsor information is available on www.GAM.org.
- **Member Emails** – 70,000+ GAM members receive both GAM and sponsor information on a prescheduled basis.
- **Michigan Links Magazine** – This GAM annual publication is sent to all GAM members and clubs. Content includes all things golf across Michigan, significant sponsor recognition and advertising opportunities.

Please review the enclosed information about how you can connect with GAM members and the Michigan golfing community to promote your business. Sponsorship tier programs are in place, but we also craft packages to fit unique needs. Reach out to me with any questions. I look forward to building a collaborative relationship with you in your marketing efforts through our favorite game!

Warm Regards,

The GAM also hosts over 20 one-day golf events called GAM Golf Days that allow GAM members to play in a less-competitive setting than a traditional tournament.

GAM FOUNDATION

GAM Foundation Partners

Golf teaches young people important social, mental and physical skills. Each round is filled with learning potential. Providing youth with access to affordable golf is the core of what we do.

The GAM Foundation is a 501(c)(3) charitable organization which sponsors Youth on Course in the state of Michigan. A partnership with the GAM Foundation helps support access to affordable golf for youth — an investment in the future of the game.

Our simple goal is to help more kids play more golf for \$5 or less through Youth on Course.

Kids join Youth on Course Michigan for \$15, which gives them access to play more than 70 participating courses in Michigan for only \$5 or less per round. The GAM Foundation subsidizes these YOC fees with support from individual and corporate partners.

Partners of the Foundation directly support the almost 7,000 Youth on Course members who played over 20,000 rounds of golf for \$5 or less in 2022.

The GAM Foundation is seeking three Corporate Partners to headline activities in 2023 and beyond.
